

Levi's Remote Management- iPadOS Set Up

In order to set up the issued LS&Co iPad you will need access to your Wi-Fi, Network ID and Password. This guide will show you each step in the set up process.

1. Power on the iPad by pressing the power button located at the top right corner of your iPad. Press and hold until you see the Apple logo. You'll then see "Hello" in many languages. Select your language to proceed.

2. "Select Your Country or Region" – please make a selection to proceed.
3. On the next screen you'll have the option to Quick Start. **Do Not** use Quick Start! Tap "Set Up Manually" to continue.

4. Tap the Wi-Fi network that you want to use and enter your Wi-Fi credentials to proceed. Tap "Join" to connect then tap "Next" to continue.

5. Next you'll see "It may take a few minutes to activate your iPad". Please pay close attention to what comes up *after* this screen.
6. If properly connected and ready for Levi's use – the next screen should say

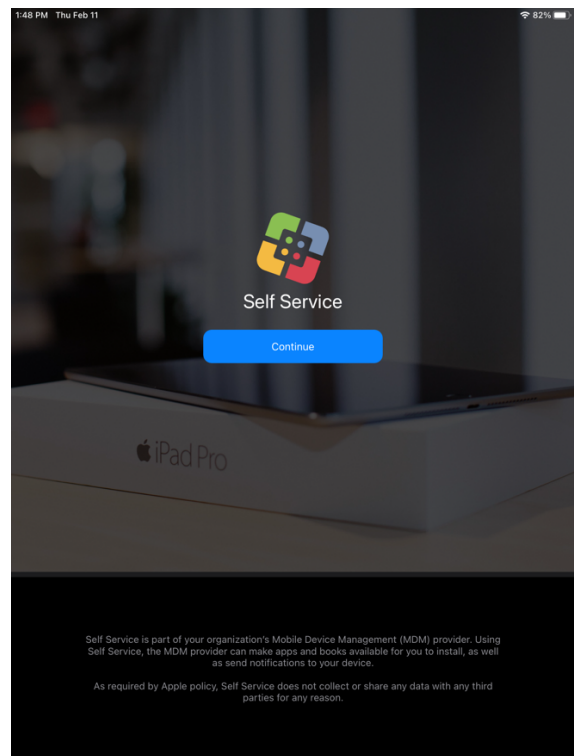

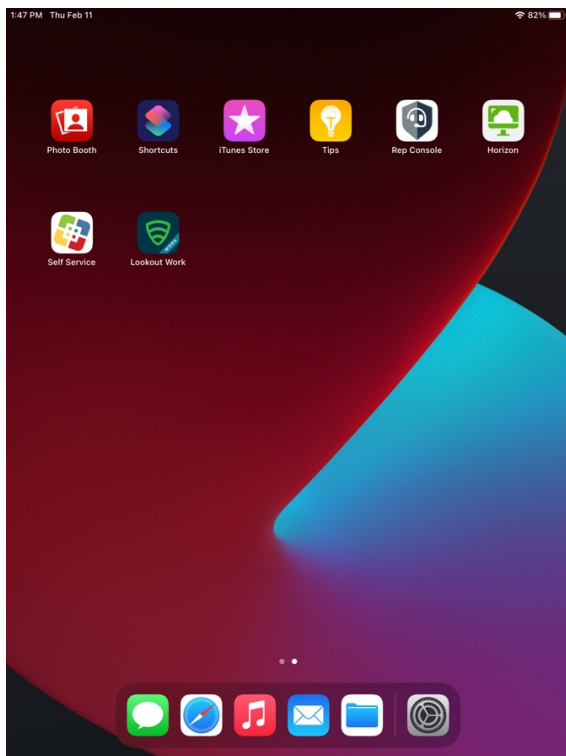

Remote Management

"Levi Strauss and Company" will automatically configure your iPad

Tap "Next" to continue.

7. Enter your Levi's Username and Password and tap "Next" to continue.

8. You may set up Touch ID/Face ID for a quicker/personalized unlock. You may also set up later.
9. Please create a strong passcode containing 6 or more characters, then re-enter that same passcode on the following screen and tap “Next” to continue.
10. If you have an Apple ID set up for use with your Levi’s email you may enter this now. If not, you may skip this step by tapping “Forgot password or don’t have an Apple ID?” and tap “Set Up Later in Settings” to proceed.
11. You may enable Siri or tap “Set Up Later in Settings” to skip.
12. Finally, you may choose a Light or Dark appearance and tap “Continue” to proceed to the home screen.

It may take up to 15 minutes for the built in Self Service app to load.

Self Service is provisioned for you to download apps approved by Levi’s for use on this iPad.

If there is an app that you need but cannot find it in Self Service, please reach out to TechStop@levi.com for further support.
